Profile

MCA fresher with a solid foundation in software development, system analysis, and database management. Proficient in various programming languages with hands-on project experience.

Professional Experience

07/2025 – 09/2025 Virtual	Web Developer Intern <i>Quverse Foundation (First Contact)</i> • Converted Figma prototypes into fully functional static and dynamic web pages on Wix Studio, ensuring 100% mobile responsiveness and faster deployment turnaround • Integrated backend features using Wix CMS and Firebase database • Collaborated with design and frontend teams to build accessible and optimized features
01/2024 – 06/2024 kollam	OpenStack Intern <i>Amrita Surveillance and Security Systems</i> • Applied cloud infrastructure leveraging OpenStack for effective management of instances, storage, and networking • Deployed and configured OpenStack on Linux systems, improving virtual instance reliability and reducing infrastructure cost by an estimated 30%. • Contributed to exploring OpenStack as an internal alternative to public cloud platforms.
10/2023 – 12/2023 Virtual	Cisco virtual internship 2023 <i>cisco</i> • Designed and evaluated secure network topologies using Cisco Packet Tracer • Completed 10+ Packet Tracer labs focused on routing, switching, and access control concepts • Reviewed network traffic flow and device configurations to identify potential security gaps
08/2023 – 04/2024 Virtual	Social Media Intern <i>Taradevi Foundation</i> • Formulated social media strategies, crafted visual content, and tracked metrics • Boosted engagement and community participation
04/2023 – 06/2023 Virtual	Virtual Volunteer <i>Kshitiksha Foundation</i> • Led virtual campaigns involving 30+ participants and produced outreach content that increased engagement across social platforms by an estimated 20–30%

Education

08/2024 – 07/2026	Master of Computer Applications <i>Amrita Vishwa Vidyapeetham</i>	CGPA: 8.9
-------------------	---	-----------

08/2021 – 05/2024	Bachelor of Computer Applications <i>Amrita Vishwa Vidyapeetham</i>	CGPA: 8.43
06/2019 – 04/2021	HIGHER SECONDARY CERTIFICATE <i>B.J.S.M Madathil H.S.S</i>	

Skills

Python , Java , JavaScript , SQL	Wix Studio , WordPress
Figma , Canva , Meta Spark , Power BI	MySQL , Firebase
Linux , Windows	Machine Learning , Deep Learning , Data Analysis

Certificates

AI for India 2.0 AI for India 2.0 course provided by Skill India, NSDC, and GUVI covering artificial intelligence topics	Digital Course, Canva (Designing) Digital design course offered by Canva covering various aspects of design
Fundamentals of Digital Marketing Fundamentals of Digital Marketing course offered by Google	Introduction to Cybersecurity Introduction to Cybersecurity course covering foundational concepts in cybersecurity

Languages

• English	• Malayalam	• Hindi
• Arabic	• Tamil	

Projects

07/2025 – 01/2026	Link Prediction A Comprehensive Survey <i>Survey Paper on Graph Based Link Prediction Techniques</i> - Reviewed heuristic machine learning and graph neural network based link prediction techniques - Studied evaluation challenges including temporal leakage and improper data splitting - Analyzed research trends and limitations in link prediction
01/2025 – 03/2025	Employee Idle Detection and Activity Monitoring System <i>A system for monitoring employee activity and detecting idle behaviors</i> - Developed a real-time detection system using YOLOv8 and integrated various machine learning models - Implemented a temporal buffer to track behaviors over time and flagged idle patterns
01/2024 – 12/2024	Carveno <i>A comprehensive platform to bridge the gap between car showrooms and users</i> - Expanded a platform connecting car showrooms and customers with detailed car information - Facilitated service bookings through an intuitive app and website
01/2023 – 08/2023	Cloud and NFC Academic Resources <i>A cloud and NFC-enabled platform for academic resources</i> - Initiated a platform for academic web resources integrating cloud storage and NFC technology - Improved access to educational materials through seamless connectivity

Letter of Recommendation

08/2023 – 04/2024	Taradevi Foundation <i>Social Media Intern</i> Recognized for exceptional social media content creation
04/2023 – 06/2023	Kshitiksha Foundation <i>Virtual Volunteering</i> Received commendations for outstanding contribution in event coordination and outreach efforts.

Interests

Instagram Filter Development Experimenting with augmented reality and creating custom filters for Instagram to enhance user experience	Exploring New AI Tools Constantly exploring new AI tools and technologies for innovative project development
Website Development for Small Businesses Designing and building custom websites for small businesses to improve their digital footprint	Digital Content Creation Creating engaging digital content for various platforms to build brand awareness and engagement
